Press Release

SCTE 2011 Award for Head of CTO Group at Technetix

Burgess Hill, UK, April 14th 2011 – Walter Dumon, Head of CTO Group at Technetix, a world leader in the design and manufacture of innovative broadband network technologies, has received the 2010 Richard Harris Member of the Year award from the SCTE, a society for broadband professionals.

The award was made at the SCTE Gala Annual Dinner on 2nd April at Hatfield House in Hatfield, Herts. Walter is the only member from outside the UK who has attended all SCTE lectures in the UK since he became a member.

In addition to Walter's award, Technetix MoCA® enhancing technology for CATV splitters was shortlisted in the Best CPE category.
